

FIRST PRESBYTERIAN
CHURCH OF KINGWOOD

A FAMILY OF FAITH. A HOME FOR YOU.

Dear parents of high school students,

Did you know that our children see "more ads alone in one year than people of 50 years ago saw in an entire lifetime? -- DMNews magazine, 12-22-97."

If you've seen advertising today, you know that what sells is sex. Our students are bombarded with messages and images of sexuality daily. As the Student Ministry staff of First Presbyterian Church of Kingwood, one of our goals is to help students understand what Biblical sexuality is and how they can deal with the daily messages that teach them otherwise.

To help our students navigate this road, FPC-Kingwood's Student Ministry will be hosting a weekend-long Sex, Love, and Dating course in which we will candidly and honestly address important issues that our students face everyday. In our weekend course, we will cover topics such as dating, relationships, the multi-dimensions of sex (anatomy/physiology/psychology), pregnancies, STDs, break-ups, marriage, and God's intended purpose for all of the above.

This course will take place during the weekend of February 17-19, 2012.

We invite you to pray for our students as they encounter this weekend. Pray for conversations that will arise from this weekend –not only with us, but in your homes as well. We highly encourage you to engage in your student's life regarding this important topic!

If you have any comments, questions, or concerns regarding the specifics of this class, please do not hesitate to contact us.

Grace and peace,

Angie Alanowski *Matt Davis*
