

WORSHIP

Starting June 3, the first 50 people who register online are welcome to participate as we pre-record our worship services. Registration will be available from Sunday at 8:15 am until Tuesday at 8:15 am. Our services are recorded on Wednesday evenings, and we will alternate the service style weekly. The schedule will be as follows:

- o June 3 @ 5pm - Traditional
- o June 10 @ 7pm - Contemporary
- o June 17 @ 5pm - Traditional
- o June 24 @ 7pm - Contemporary

This pattern will continue throughout Phase II. Please only register one time per month so that we can make this opportunity available to as many people as possible.

We are also asking you not to register if you are in the high risk category - this is intended for moderate to low risk participants.* We love you and do not intend to exclude you, but you are not expendable to us!

If you are not able to join us, please continue to participate in worship at home on Sundays!

DISCIPLESHIP

In an effort to address the ministries that are most hindered by the shut-down of our facility, we are opening our doors for on-site gatherings for moderate/low risk participants in certain pre-selected groups. Pre-selection was based on an evaluation of technological or other barriers to the ministry's effectiveness and our capacity to host them in a safely prepared and controlled environment.

On-site groups will continue to host Zoom feeds for those who are extreme/high risk or are simply not ready to risk exposure at this time.

On-site groups will meet in rooms with <15% capacity that are sanitized and prepared with signage to help maintain physical distancing. Each room will only be used once per day. Requirements will be communicated to the group prior to their arrival.

If you believe your ministry is significantly hindered, please go to the website and submit a request. Our team will determine if we are able to host your group in Phase II, or if your group might be better suited to re-enter in Phase III or IV.

REOPENING FIRST PRES KINGWOOD

PHASE II BEGINS - JUNE 3!

Addressing hindered ministries first, keeping in mind that...
"The church is essential and our people are not expendable."

COMMUNITY and MISSION

Our Sent Groups have launched! It's not too late to join, just submit your form online!

We would like to encourage you to host "In-Home Worship." If you can provide a safe and clean space with appropriate physical distance, please invite your Sent Group, your small group, Bible study, your neighbors, etc., to join you as you participate in our weekly online service. In Phase II, we recommend groups of 10-12. We will provide guidance for preparing your space and establishing safe practices if requested.

RISK CATEGORIES*

High Risk: Typically age 60+ with pre-existing conditions; however, anyone with the following conditions regardless of age: lung disease/asthma, heart condition, those who are immunocompromised, liver disease, diabetes or chronic kidney disease.

Moderate Risk: Typically age 60+ without pre-existing conditions

Low Risk: Typically <60 without pre-existing conditions
